For your information

Merit

All applications are judged on their own merit. Our objective is to appoint quality coaches that are suitably matched to a team. Consideration will be given to the applicant's knowledge, experience and personality in relation to the age group they are applying for. For example a person who has coached successfully at senior level will have the appropriate football knowledge and experience but may not have the personality and patience required to coach under 10's or 12's. An applicant does not have to have a child of their own either playing at the club or in the team they are applying to coach for. All appointed Coaches MUST have a current Working with Children's Card (WWC).

Tenure

Coaches are appointed for one (1) season tenure. Commencing from date of appointment and terminating on the completion of the Drysdale Football Clubs Presentation Day. All Coaches positions are then deemed to be vacant and applications will be sought from both existing coaches and new people for the following season. It is the Club's intention to introduce each team to a different coach approximately every 2—3 years, although our ability to do this will depend on the calibre of applicants received.

Dismissal

The Drysdale Football Club reserves the right to dismiss a coach without prior notice if the Executive Committee feels justified in doing so.

Code of Conduct

Attached for your retention, is a copy of the clubs "Coaches Code of Conduct". Any alleged breach of the Drysdale Football Clubs Codes of Conduct will be investigated by the nominated representatives of the JSC. The representatives will determine whether a breach has occurred and if so, what penalty will be applied. This action is separate to any penalty that may be handed down by the AFL Barwon for incidents reported to them.
